

YEAR 5 TEACHERS ATTEMPT BIZARRE ! CHALLENGES !

Swingate Primary School (in Lordswood, Chatham) has been working exceptionally hard to raise money for their '2024' Challenge. This popular event took place on Thursday 22nd February 2024 at Swingate. Year 5 teachers and pupils took part and committed to bizarre Challenges of all sorts.

This fundraising event was organised by the school's SCC (Swingate community circle) who are a group of parents that organise events at the school. Children were given sponsor forms and did challenges such as, random acts of kindness, gymnastics and many other sport related events. Mrs Williams, who is head of the SCC, said, "We are very proud of the amount of money being raised for Swingate's

Swingate 2024 Challenge

'2024' Challenge. The SCC has worked extremely hard to organise all of these events including the '2024' Challenge."

It wasn't just the children who took part, the teachers also joined in and the challenges were so funny. One teacher from year 5, stated, "I've never done something like that so I didn't know what to expect but I felt happy."

Swingate has been rated good by Ofsted. Mr Wignell announced, "I am so proud of the amount of money being

raised this year." Mr. Murdoch,
chair of Governors, commented,
"Well done to everyone who
took part in the event."
