

Jack and the Beanstalk

Once upon a time there was a boy named Jack.

He lived with his mother in a small shack.

He had their cow far away.

And came back later in the day.

He sold the cow for beans that come in a sack.

But his mother wanted him to give them back.

She threw them out like they were a piece of paper.

But little did she know it would grow as tall as a skyscraper!

Jack was curious, Jack was keen.

So he decided to climb the bean.

Once he reached the top, he found a path.

Then managed to let out a joyful laugh.

He knocked on a door and found two giants.

Because of that, he fell into silence.

"Hello young boy," the giant said.

"You must be hungry, let's get you fed."
