

Dear Red Crayon,

Thank you for your letter. I didn't know you were so unhappy and I really want to make it up to you.

Firstly, I'm very sorry for not giving you a break. What a gal I was! I had no idea you were so tired because you worked on holidays since I don't get tired. I've learned from this that everyone is different from me to you. I hereby promise I will give you such a long week to rest.

Secondly, I really want you to feel better. I'd like to give you a year off. Maybe you can go on holiday and have smooth drinks and when you come back you will be okay. Is this sounds like a good idea? If you have any other ideas please let me know.

Once again, I am so so so sorry. I hope you can forgive me for my behaviour.

Love again
Duncan
