Dear Miss Thompson,

Thank you for that
good letter! I am
excited because I
am going to a
different age group.

I have some
questions for you
Are we going to
be doing division
in math? Where will

I sit? My
favout subject is
math because I am
good at it. I am
good at math and
spellings. I am
looking forward for
the singing
contest. I cannot
wait for year 2.
