

Steven

"Silence you roundings!" boomed Mrs Meat Loaf. Everyone's heart was beating 1 billion times faster than normal. It was never good when she had an assembly. She was always out of her mind. Bang! Her loud stomps shake the room.

"Jarad Beunstak!" roared Mrs Meat loaf. The whole room went silent. Suddenly, a 5 year old boy slowly stood up. "Yes miss?" he said with a trembling voice. "Come up here now!" He slowly crept up. "How dare you talk in assembly!" bellowed Mrs Meat loaf. "Sorry" he mumbled. Mrs Meat Loaf slowly lifted him up by the leg. She threw him in the air and hit him with her stonewh. He flew across the room. "Never talk in my assembly again!" boomed Mrs Meat Loaf.

Steven was terrified. "Oh my gosh," he whispered to himself. He was so scared. "I have to get revenge," he thought. Steven was a kind old fellow, who could always find the good in everyone. He made people laugh, happy and confident. He was the glow in a dim day. Unlike Mrs Meat Loaf, Steven kindly greeted people with a lovely wave. Clearly, Steven loved going to school, especially because his teacher (Mrs Meat) made it super fun. She always bursts into songs about numbers. But Mrs Meat Loaf hated fun. During lesson time, she would stand in class and make sure they

didn't get anything wrong. But when they did... she would lift them up by the leg and swing them into India. This made Steven want to get revenge.

3 weeks ago, Steven discovered that he had a special power. Steven was just doing his homework when he whispered, "I wish this could be more easy." As he was writing, the questions slowly started to change.  $4000 \div 69$  changed to  $1+1$ .  $69+429$  changed to  $2+2$ . It was all so easy. He realized, whatever he says will happen!

It was time to use his power. Steven whispered to himself, "you will fall off the stage." As he found more... BANG! She fell off the stage. She crashed through the floor into Africa. She slowly climbed back up. "What happened?" Mrs Meat Loaf trembled. "You will start to fly..." Steven whispered. BANG! She hit her head on the ceiling. She shot up in the air. The whole assembly went from silent to busting into laughter! Steven's revenge has begun. Mrs Meat Loaf was the angriest she could ever be. Steven's revenge was a success.
