

## The Big Bad wolf

The Big Bad wolf was a spiky, cross all creature that lived in a dark, rotting hole. He roared, hiss, growl that was like a abandoned creature from the olden days and a bristly, inked tail. The wolf's eyes where as red like a mirror when you look at it. The sharp, pointed jaws of the wolf's and the teeth was as sharp as a knife when it grabbed you. When the wolf opened his mouth the wolf's breath it smells as a stink rising wind. The Big Bad Wolf's spiky, growl was like as sharp as a needle. In his free time the wolf enjoys cooking, cabbage, cucumber, artichokes and cooking stew. What a noble he is.
