

## Britain is doomed

Loaded onboard the German plane,  
this is going to be an amazing game.  
The guiltless buildings below,  
are not excited to see my lethal glow.

3...2...1... BOOM, BANG there I go,  
like a deafening music show!  
As I race towards the ground,  
look at all British men I have found.

I'm a hungry puma looking for my prey,  
as I search the night away.  
5...4...3...2...1... since I've been out,  
all I can hear are screams and shouts.

I am death heading to the water,  
inviting a deadly slaughter.  
Time for me to go,  
am I sorry... NO!
