

Tuesday 6th January 2026

Dear diary,

What a brilliant morning I had! I couldn't wait for school because we were going to Forest School. After assembly we wrapped up warm and went to Forest School. First, my group went to the mud kitchen. Me and my friends were breaking the ice. Next, my group did the string walk. It was very cold and tricky.

After that, we all went around basecamp and sat the damp logs. We took turns to toast the marshmallow over the fire.

My marshmallow dropped off once. It was very fun. Finally, we got the biscuits.

and made smores. It was delici-
ous! Then we walked back to school.
What a great morning!

Love from Rhona

P.S My parrot bit was eating the
Smore's because it was delicious.
