

Claire the Were Wolf

Have you ever heard of an alpha werewolf? Claire the werewolf! She really is amazing because the whole pack has a necklace powered by a moonstone. If you walk through the woods you always know if she's been there because there are massive claw marks. Her claws are sharp and powerful. She uses her to catch monsters. She lives in the village of Seebrock so she is very good friends with the people that live there. How long her hair is!

If she is not in Seebrock she is probably roaming in the woods. Once she is in the woods she can be anywhere. Her smooth boots and swift movements make her impossible to track and see. She is as fierce as a wolf but she is very good friends with the people in Seebrock. Would you like to be in her pack?
