The Goat was  
also weeping  
because the  
book Nesnit

Suddenly tow  
more Goats  
trotted along.  
No one could  
sleep because  
they rally wanted

to know how  
the book  
ended. Then  
they heard a  
loud foot step  
from outside. It  
was the big  
bad troll they  
hid under the

to be friends  
with the Goats.  
MUM came back
