

One evening Ben's mum  
was reading the three  
Billy Goats. The phone  
began to ring, and  
Mum left the room.  
Ben was upset that  
they didn't finish the  
story. Ben looked  
outside of the  
window and saw the  
small Billy Goat.  
The first goat was  
upset because they  
hadn't finish the  
story. Suddenly, two  
more Billy Goats came  
along.

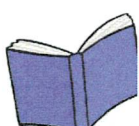

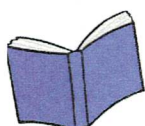

From outside the  
houses they heard a  
scary noise. Billy  
Goats came along.

It was the masi  
stinky troll.

They hid under  
the cosy covers.

The fat troll

climbed down the  
dusty chimney. He

just wanted to be

there friends with

the Goats. Mum

came back and read  
to them all.
