

The three Bears and
the Big Bad book.

One evening

Katie's brother was

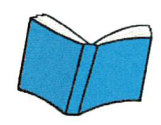

reading the three bears.

The phone began to ring

and brother left the room.

Katie was upset because

Katie wanted to finish

the story.

Katie looked out of the

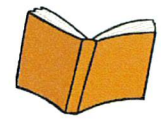

story curtains and

saw the first little

bear. Bear was heart

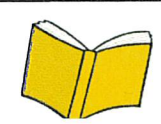

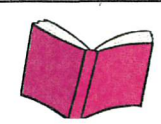

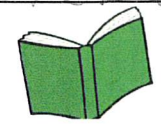

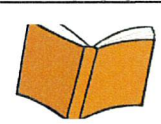

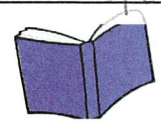

broken because the story

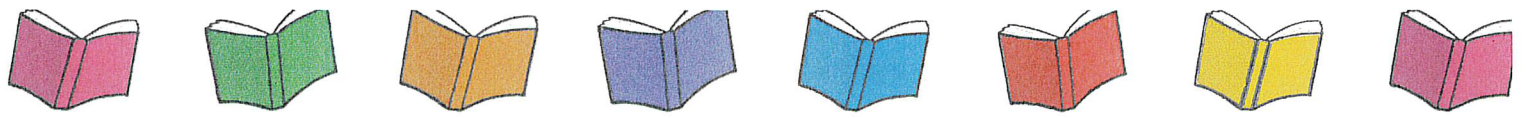

was not finished because

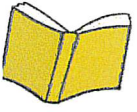

she wanted to know what

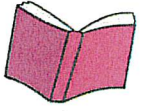

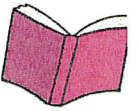

happened next suddenly

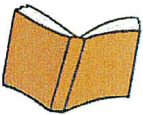

two more books came

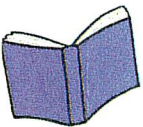

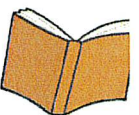

among. Rats and

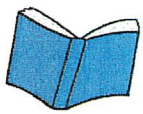

the bear could

not sleep because

Out said the window

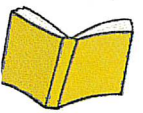

a happy noise. it was

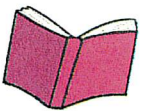

goldilocks. They hid

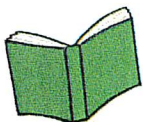

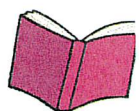

under the bed.

goldilocks knife

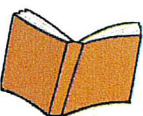

insaid the window.

She wanted to play

games. Then brother

came back and read

the rest of the story.
