

## The Kind hearted Giant

Once upon a time, there lived a kind hearted giant. He had hairy armpits, huge hands and crusty hair full of old food. One early morning on Saturday, Giant was drizzling and snoring, it was so loud it shook the house. As he opened his huge eyes he took a big yawn it was almost as loud as children at a disco. Sleepily he slowly walked to the kitchen. When he was in the kitchen he made himself scrambled eggs, jam on toast, chocolate waffles, ten strips of bacon, a stack of pancakes and some orange juice. He gobbled down the lot! Next the giant was singing in the shower. He was singing singing in the rain he was singing so loudly his wife woke up. "Stop singing I'm trying to sleep," she shouted. Just after he put his towel on he heard a peculiar faint "tap tap tap" "Whos knocking at my door this early in the morning?" he boomed.

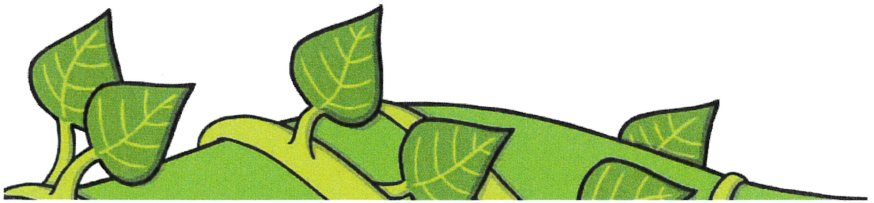

The door opened with a creak and he was astonished that no one was there. But what he didn't know

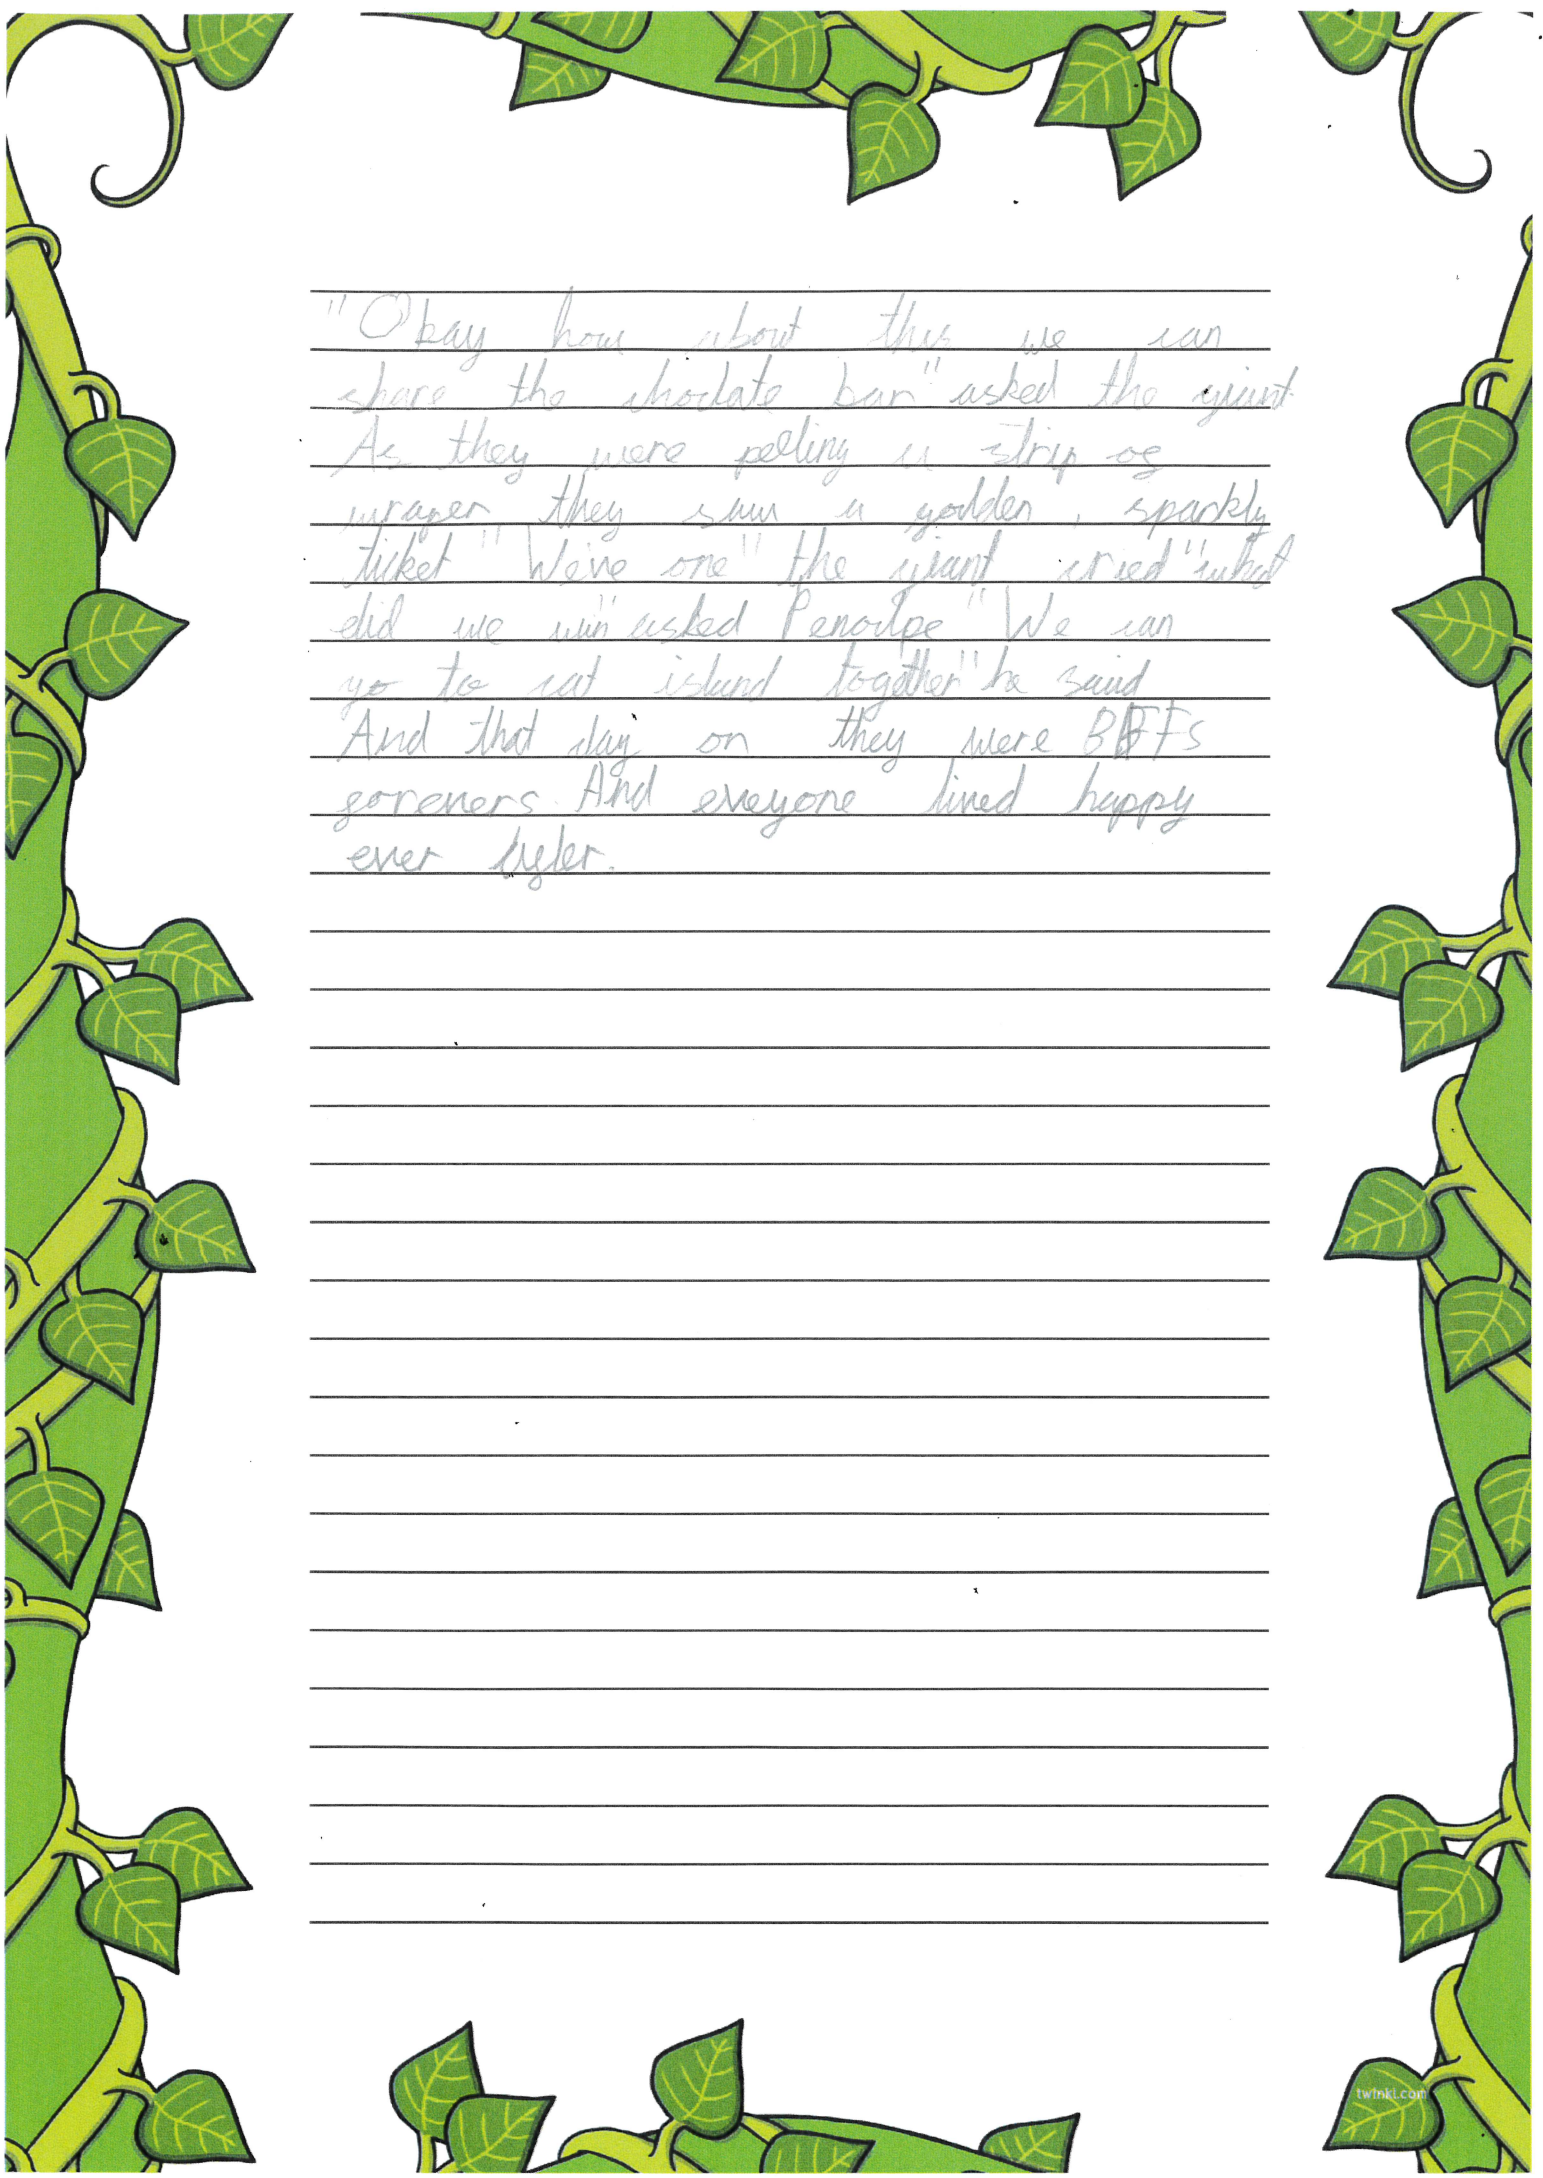

was that at the door there was a girl called Penelope wearing a pink silk dress with a black bow and dark brown hair. She quietly snuck past the giant and ran to the basement and hid in a dusty old box with an mouldy loaf of bread next to her. The giant walked into the basement because he had lost his wedding ring and while he was looking he roared human beings and said "gee ee go gum I smell the bones of a tiny one" he shouted. Penelope spotted a hefty chocolate bar she plucked it and she sprinted out the door. What she didn't know was inside was a ticket to eat Island.

The giant raced down the beanstalk in the clouds. The clouds shook, the wind howled. Penelope took a quick gaze and spotted that the giant was catching her up as she arrived at the bottom of the beanstalk the giant landed with a "thud" Penelope said "I'm really sorry that I stole it's just that we're really poor"

"Okay how about this we can share the chocolate bar" asked the giant  
As they were peeling a strip of wrapper they saw a golden, sparkly ticket "We've won" the giant cried "what did we win" asked Penelope "We can go to rat island together" he said  
And that day on they were BFFs forever. And everyone lived happy ever after.
