

Chloe vs Mr Ash

"O-bey - ME!"

Mr Ash screamed from the doorway.

"Yes you will be quiet, get to your classroom". His feet stood ready to stom-
p his next victim. His long hairy legs
were prepared for some dangerous action.
He walked towards the doorway, pulled
out his whip and swung it at anyone
that dared to stand in his way.

"Steven Snakehead"

"Come here right now, have you seen
yourself?" "There is a buger dripping
down your face"

"S-S-S- sorry sir, I can blow it,"
replied a tiny, helpless boy.

"Too late," he stated as he shaved the
boy's head bald.

"NOOO sir stop," cried Steven.

"Don't tell me to stop you hippo
headed creature."

Chloe thought "that isn't fair," but
I don't want to get involved quiet yet."

Chloe was an incredible and extremely

thankful girl, who cared a lot about other people even though she was told by her parents that she was a dirty worm that belonged in the garden. This on the other hand, was too much. Chloe watched with her eyes angry like a bull and was struggling to keep her temper. When she walked into the classroom that smile finally appeared.

Miss Bloom was the reason for this, beneath her white cardigan Miss Bloom's slim arms were extremely comelrtate and as she stood into the classroom everyone's grouns washed away into a pile of happiness. And all of a sudden Mr Ash barged in and walked down the aisle of the classroom. Normally, people would automatically look up at the teacher but today a boy called Steven (with a bald head) wasn't focused. He was whipped until he managed to focus. Chloe stood up, "STOP YOU NASTY BULLY!"

She screamed.

"EXCUSE ME, how dare you" Mr Ash replied. She sat down and luckily didn't get whipped but she had a plan to get revenge.

After school, Chloe went home and straight up to her room. It was a dark and gloomy room that had nothing to do. When she looked up she saw a pause and play button and the thought of pressing one was extremely tempting so she pressed the pause button and the house went silent.

She had paused time. She ran down the stairs in amazement and spotted that her parents stood statue still. She decided that this was a good thing. Ever since, she practised on her parents. Putting something in their hands and seeing their hilarious reactions. She also had a new way of revenge...

When they returned back to school,

there was thrilling news, Mr Ash had fallen into a pool of peranhas and had to be kept in hospital. No one else knew but Chloe had paused time and caused the incident. It was all completely worth it. Miss Bloom was left in charge so school felt like a breeze. It had never be easier. Miss Bloom got an email, Mr Ash QUIT! Victory was her's!
