WORN OUT TRACTOR

Today, Isaac found a note at Iwade. The tractor was worn out. Isaac couldn't understand.

Isaac got home. Isaac found a note. "Isaac I am sorry but I am worn out"

The tractor was found in the shed. "I felt sad because I did not know" reported Isaac. Isaac promised he would grade more. The tractor decided

to come back.

The tractor had more grading so it was happier. I will tell you any changes happening.
