Dear Mrs Penington and
Mrs Terpie,

I thank you for the
letter. I am feeling
worried about year
town because I don't
know what our class
looks like. My favourite
subject is maths.
I am good at PE
and maths. I am looking
forward to seeing

but class room.

I would like to know
what your ballroom
colour is? I can't
wait to do maths.
Love from Lois.
