Dear new teacher,
Thank you for the letter.
I am feeling worried for
year 2, but I have some
questions to ask you.
When are we going to
the next school trip?
When is your birthday?

My favourite subject
is Reading, because
we have lots of
good books. I am

good at English and
Maths I am
looking forward to
going to school. I can't
wait to meet you.

From
Neriah
