Mr men in London

In the Afternoon, Little Miss Hug Wake her friend up kindly. She decided to take her friend on a Spurpris trip to London. They travelly speedily together on a Spoedy, red bus. towards green Street Station.

First, we decided to goo to Big Ben and there was Cars, tree and people Mr Calm, Got lost in the crowns gor roam around.

After thart, they went to Tower Bridge to see the bridge Move up and down. To let boat to go under. Mr Cool forgot to get off because he was busy take picture. When his friend allready got off and he had to take another rotation. What a Crazy man he was!

Before they left to go home, the took a quick tour around they saw Som bridge Lifting up and down for boat to drive. And they even saw it go down and cars drive ob the bridge But
