How to make a Fairy Potion

Ingredients:

- boiling, hot water
- one rainbow unicorn horn
- twenty, metallic dragon scales
- add shiny glitter
- thin, wiry cat whiskers
- twenty, small eyes from newts

Method:

1. First, quickly boil a huge pot of water over a burning, hot fire.

2. Next, place in twenty, small eyes from newts.

3. After, sprinkle in one hundred bits of shiny, gold glitter.

4. Then carefully put in eight wiry, thin cat whiskers.

5. Next toss in one rainbow, sharp unicorn horn.

6. After that, gently mix in twenty bumpy, metallic
