

Mammals

Are **warm**-blooded.

Live on land and water.

Have hair or fur.

Have skeletons on the inside of their bodies.

Give birth to live babies which drink their mother's milk.

Amphibians

Are **cold**-blooded.

Live on land and water.

Have moist skin and webbed feet.

Have skeletons on the inside of their bodies.

Lay eggs.

Reptiles

Are **cold**-blooded.

Live on land and water.

Have scales, ear holes and dry skin.

Have skeletons on the inside of their bodies (but tortoises have one on the outside, too!)

Lay eggs.

Fish

Are cold-blooded.

Live in water.

Have fins to move and gills to breathe underwater.

Have skeletons on the inside of their bodies.

Lay eggs (in water).

Birds

Are **warm**-blooded.

Live on land and water.

Have feathers (unique to birds), wings and a beak.

Have skeletons on the inside of their bodies.

Lay eggs.

Insects

Are **cold**-blooded, though their blood (actually called hemolymph) is not like ours as it does not carry oxygen or carbon dioxide.

Live on land and water.

Have bodies in 3 parts and most insects have 2 pairs of wings.

Have skeletons on the outside of their bodies.

Hatch from eggs and often change their bodies (for example, a caterpillar changes into a butterfly).

Arthropod

Are **cold-blooded**.

Are invertebrate (without a spine)

A segmented body (with more than one part)

Have skeletons on the outside of their bodies.

About 85% of all animals are arthropods, including spiders, insects and crustacean .

Crustaceans

Are **cold**-blooded.

Live usually in the sea (except for woodlice!)

Have skeletons on the outside of their bodies.

Lay eggs.

Molluscs

(Mollusks)

Are **cold**-blooded.

Live on land or water.

Have very soft bodies.

Some have skeletons on the outside of their bodies.

Lay eggs.

Arachnids

Are **cold**-blooded.

Live mostly on land.

Have 8 legs and spiders spin webs.

Have skeletons on the outside of their bodies.

Lay eggs.

Annelids

Are **cold**-blooded.

Live mostly in water but some live on land.

Have soft, segmented bodies.

Have no skeleton.

Lay eggs.
